Board of Directors Capitol Area Development Authority Sacramento, California

Report on the Financial Statements

We have audited the accompanying financial statements of the Somerset Parkside Apartments (Contract Number 80-RHC-007) (the Project), a project of the Capitol Area Development Authority (Authority) as of and for the fiscal years ended June 30, 2015 and 2014, and the related notes to the financial statements, which collectively comprise the Project's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the requirements of the *California Department of Housing and Community Development Audit Guide for the Rental Housing Construction Program*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Somerset Parkside Apartments (Contract Number 80-RHC-007) as of June 30, 2015 and 2014, and the changes in its financial position and its cash flows for the fiscal years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of a Matter

As described in Note A, the financial statements present only the Project and do not purport to, and do not, present fairly, the financial position of the Authority as of June 30, 2015 and 2014, and the changes in its financial position and its cash flows for the fiscal years then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information on pages 12 to 18 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 3, 2015 on our consideration of the Authority's internal control over financial reporting as it relates to the Project and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

SOMERSET PARKSIDE APARTMENTS (Contract Number 80-RHC-007) A Project of the Capitol Area Development Authority

Notes to the Financial Statements For the Fiscal Years Ended June 30, 2015 and 2014

NOTE A – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Somerset Parkside Apartments (Project) is a 26-unit apartment complex located in downtown Sacramento, California. It provides housing for eligible low-income families under the State of California Department of Housing and Community Development (HCD) Rental Housing Construction Program (RHCP). This program provides long-term financing to construct the housing project and monthly annuities to fund operating deficits.

In accordance with a regulatory agreement dated April 8, 1982, the Capitol Area Development Authority (Authority) manages the Project. The Authority is a joint powers agency with a Board of Directors comprised of appointees of the City of Sacramento (City) and the State of California. The accompanying financial statements are not intended to present fairly the financial position or changes in financial position and cash flows of the Authority in conformity with accounting principles generally accepted in the United States of America.

Basis of Presentation

The Project is accounted for using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows occur. The Project distinguishes operating from non-operating revenues and expenses. Operating revenues and expenses generally result from providing services in connection with the Project's ongoing operations. The principal operating revenue of the Project is rental income from tenants of its housing units. This revenue is recognized on the financial statements net of vacancy loss, low income subsidies, and loss to leases. Operating expenses for the Project include payroll expenses for employee services, administrative expenses, utilities expenses, operating and maintenance expenses, insurance and taxes expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses. When both restricted and unrestricted resources are available for use, it is the Project's policy to use restricted resources first, then unrestricted resources as needed.

Cash, Cash Equivalents and Restricted Cash

The Project participates in the City's external investment pool. The City Treasurer pools cash and other City funds and invests to maximize income consistent with safe and prudent investment practices within the guidelines of the City's investment policy. The City, as a charter city, has adopted its own investment guidelines to guide investment of City funds by the Treasurer. These guidelines are consistent with the requirements of California Government Code Section 53601. The City Council provides regulatory oversight of the City's investment pool and reviews its investment policy on a quarterly basis. The estimated fair value of investments in the pool is based upon quoted market prices. However, the value of the pool shares in the City's investment pool that may be withdrawn is determined on an amortized cost basis, which is different than the fair value of the Project's position in the pool.

(Contract Number 80-RHC-007)
A Project of the Capitol Area Development Authority
Notes to the Financial Statements (Continued)
For the Fiscal Years Ended June 30, 2015 and 2014

NOTE A - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash, Cash Equivalents and Restricted Cash (Continued)

The City's investment pool is unrated and the weighted average maturity is 2.15 years at June 30, 2015 and 2.27 years at June 30, 2014. At June 30, 2015 and 2014, the entire amount of the Project's cash and cash equivalents and restricted cash are invested in the City's external investment pool. Detailed disclosures, including investment policies and associated risk policies, regarding the Project's cash and investments are included in the notes to the Authority's basic financial statements.

For purposes of the statements of cash flows, the Authority considers cash and cash equivalents to include all pooled cash and investments, including restricted account balances, as these pooled balances have the general characteristic of a demand deposit account. Restricted cash includes replacement reserves and tenant security deposits.

Capital Assets

Capital assets, which are defined by the Authority as assets with an initial, individual cost of more than \$3,000 and an estimated useful life beyond one year, are stated at cost, net of accumulated depreciation. Depreciation is calculated using the straight-line method over an estimated useful life of between 10 to 30 years. Maintenance and repair costs are expensed as incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from these estimates.

NOTE B – TENANT SECURITY DEPOSITS

The Project collects security deposits from tenants at the inception of the tenant lease. These deposits, which are reported in the basic financial statements as restricted cash, are refundable to the tenants to the extent there are no unpaid rents or damages to the housing unit. Tenant security deposits held as of June 30, 2015 and 2014 amounted to \$7,313 and \$8,985, respectively.

(Contract Number 80-RHC-007)

A Project of the Capitol Area Development Authority Notes to the Financial Statements (Continued) For the Fiscal Years Ended June 30, 2015 and 2014

NOTE C - CAPITAL ASSETS

Information on additions and disposals of capital assets is presented below:

	Ju	ne 30, 2014	Increases		Increases Decreases		June 30, 2015

Ending balance	\$	30,501	\$	32,773

(Contract Number 80-RHC-007)

A Project of the Capitol Area Development Authority Notes to the Financial Statements (Continued) For the Fiscal Years Ended June 30, 2015 and 2014

NOTE E - UNEXPENDED PROGRAM PAYMENTS

As discussed in Note A, the HCD RHCP provides operating funds to the Project to cover the operating costs not covered by rental revenues. For the fiscal year ended June 30, 2015, unexpended payments of \$2,530 are due back to HCD and a receivable due to the Project of \$50,920 for operating costs in fiscal year 2014-2015 not covered by rental revenues.

In determining the qualifying operating costs, HCD disallows certain expenses reflected in these financial statements. Specifically excluded are depreciation expense, repairs paid out of replacement reserves and asset acquisitions exceeding the authorized budget. For the fiscal years ended June 30, 2015, rental and program revenues exceeded qualifying operating costs by \$2,530, with the adjusted balance either repaid to HCD or with HCD approval deposited into the Replacement Reserve. Net unexpended program payments are reported as Due to CA HCD on the Project's accompanying statements of net position.

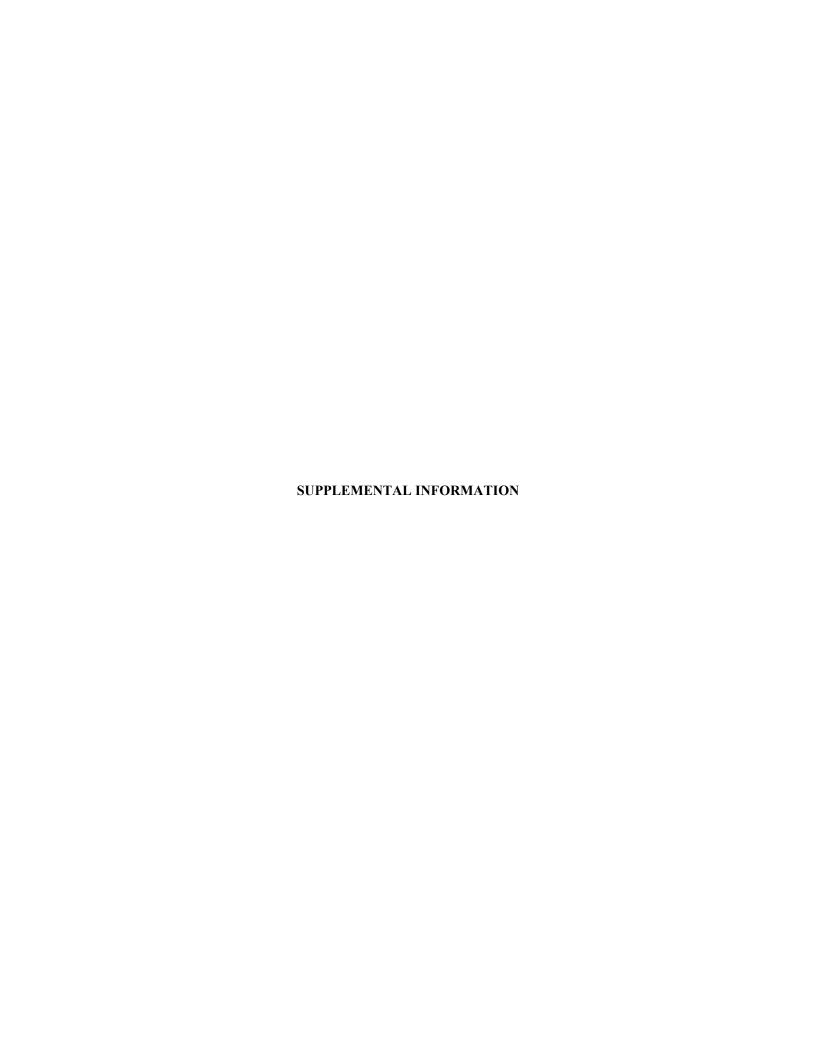

The activity in the account for the fiscal years ended June 30, are as follows:

	2015		 2014
Due to CA HCD, beginning balance	\$	-	\$ 14,744
Excess program payments for the current year		_	(3,722)
Excess program payment per audit		4,270	-
Excess program payment for budget annuity		(1,740)	-
Excess cash transferred to Equipment Reserves	5		(6,907)
Payments to CA HCD		-	(5,147)
CA HCD correction		_	1,032
Due to CA HCD, ending balance	\$	2,530	\$ _

NOTE F - LEASED PROPERTY

The land on which the Project is located is owned by the State of California. On June 12, 1981, a 60-year operating lease was entered into between the Authority and the State of California. This lease is without cost, therefore, it is not reflected in these financial statements.

The State of California or the Authority may terminate the lease at any time by giving 60 days notice. Should this lease be terminated, the developmental ground lease will be honored by the State of California on behalf of the Authority.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors Capitol Area Development Authority Sacramento, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Somerset Parkside Apartments (Contract Number 80-RHC-007) (Project), a project of the Capitol Area Development Authority (Authority) as of and for the fiscal year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Project's basic financial statements, and have issued our report thereon dated December 3, 2015.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) as it relates to the Project to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Project's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
